

Membership and Volunteer Intake Form  
www.mindemoyaoldschool.ca

Dear NAME,

As a not-for-profit organization, we rely on our membership and our community to achieve our goal of creating and maintaining a new and meaningful existence for the Old School in Mindemoya, so that it becomes a well-run, well-used, inspired and integral part of Central's identity. The work associated with this endeavour is complex, substantial and enormously gratifying. Of course, as we all know, many hands make light work of any monumental task and it takes a village to make big dreams become reality.

You are receiving this letter and membership/volunteer form because you have expressed interest in our project and/or a generous willingness to become an active partner in our undertaking. To ensure that we are respectful of everyone's interests, talents and resources, we ask that you take a few moments to complete and return the enclosed "Membership and Volunteer Form" to us.

Our minimum inaugural, annual membership fee for individuals is **\$10.00** or **\$20.00** for families. Of course, there are already many start-up and on-going expenses associated with our endeavour, so if you think our membership fee is too low, we gratefully accept any additional amount that seems more reasonable to you. You can pay your membership fee/donation by personal cheque or by e-transfer to [MindemoyaOldSchool@gmail.com](mailto:MindemoyaOldSchool@gmail.com).

Please note that tax receipts are issued only for amounts (donations) received over and above the membership fee and only after our application for charitable status has been approved.

We thank you for your time, your interest and your support. We can't wait to work together to turn the old school into the vibrant cultural community-hub we all know it can and should be.

Warm regards,

*Jan McQuay*

President, FOMOS
